

To: Plastic Surgery Resident in PGY-4, 5 or 6
From: Russell E. Ettinger, MD, Editor-in-Chief, *Plastic Surgery*
Subject: Resident Applications for Resident Editors for *Plastic Surgery*
(Deadline: Sept. 30, 2022)

We are writing to invite applications for three positions as Resident Editor for *Plastic Surgery Resident*.

Plastic Surgery Resident is published four times per year and distributed free to members of the ASPS Residents and Fellows Forum and plastic surgery training programs. Resident Editors report directly to the magazine's Chief Medical Editor (Russell E. Ettinger, MD), and collaborate on all editorial content to be published. You would help develop content ideas, and as well as contributing yourself, would solicit co-residents and faculty to contribute content. Furthermore, you will provide a critical level of review to ensure articles are well written, logically structured and in line with the magazine style guidelines and mission.

The term is **one year**, beginning following the Plastic Surgery The Meeting 2022, and running until next year's meeting. We are accepting applications from **individuals who are in the senior years of their Residency (PGY-4, 5 or 6)**.

To apply, please complete the application form below and submit it to PSN Managing Editor Paul Snyder at psnyder@plasticsurgery.org, before the application deadline of Sept. 30.

Thank you for your time and consideration.

Sincerely,

Russell E. Ettinger, MD
Chief Medical Editor, *Plastic Surgery Resident*
